desperational the representation of the desperation of the could do better without a bishop, aided to certainly without one of his sort; and that, in wash of fact, they had already sent home a request to ne effort the Society for the Propagation of the Gospel Sir Rutherford Alcock is to be permitted to nith, the that he might be recalled. At first the Bishop speak for himself on the terms of the revision of the China Treaty; and the China merchants eworthy him; and on Sunday he took prisession of the who have memorialised the Government against. church at an early hour and began a service. its ratification, and who seek un interview with He had two persons to listen to his sermon; Lord Chrendon, are to wait till. Her Majesty's nd crew and as soon as he was done the Dean had the Plenipotentiary has urrived, when the request bell rung for a second service, which was then to be received us a deputation will be seconded as they performed to the usual congregation! Some of to. The postponement we take to be an indicabore to a the Chraymen connected with the Anglican tion that Ministers are not wedded to the created Mission had already left the island; the stipulations agreed upon, and are, therefore, Dem was leaving by the steamer which brought | unwilling to speak with precision until some the first tholast letters, and Archdeucon blason purposed further light is thrown on the transaction by vage, and leaving at Easter; the whole mission was broing here | tell up, and the Bishop himself was oblige to to the delay under the circumstances, and it and never tent up, and the bishop istinger and make the will be more satisfactory to both pirties that a of the hest of his way to the United States. The the principal agent in negotiating the suppleeck, and Episcopalian residents have now repeated the mentury convolution to the Treaty of Tientsia request they mide ten years ago. They still should be present to supply any required exwant, and they never wanted anything butan planations. At the same time, it is not very Evengelical elergyman. Warned, however, by clear that much more can be east wither for or part experience, they have this time made their against the new clauses. The materials for we selection, and the man of their choice is forming an opinion are prolific, and the points toing out to them. Thus, after the expenditure in discussion could hardly be better handled of some £20,000, comes to a disgraceful and the | than they are, on the one side, in the despatches bishopric of Honolulu, and the first of the from Sir Rutherford Alcock, placed this week Church of England aggressions in the fields of on the table of the House of Commons and, on other men's labours. We don't think that with the other, by the merchants of London in the

this experience the experiment will be renewed memorial which will be found in another column. Sir Rutherford ably expresses his opinion, and in bladagsscar f-English Independent. is perfectly satisfied that a good bargain bas been maile; but he does not omit to point out that making terms with the Chinese Govern-A LIBEL CASE. ment now is quite another thing to what it was Dion Bouccault has applied for, and obtain- ten years ago, when we could demand the coned, a summons against the printer and publisher dessions made to us. The higher ground taken thought of the Pall Mall Caville, for a libel, in a letter by the Chinese Government unet and une tho thought of the ran man depote for a man, in a section of the new terms, as we could hardly atherism which appeared in that journal, which hinted value of the new terms, as we could hardly adverse that Mr. Houcicanit depicted faithfully the expect to get precisely our own, as we did not reduce that lives of swindlers, forgers, and demireps, because herors; but the memorial aliaded to disparages i soonest he kept no other successful. Hather an unfair in unmistakable language the very feature—
prevents insinuation, I think, and one for which the Pall the exemption of foreign textile fabrics from the meant that journal in its daily form is being published. Treaty ports which Sir Rutherford Alcock to heaving at a line of £300 per week,—a deficit which deems the most important advantage gained by be their would speedily awains must newspapers. But the convention. The "various advances in the will be the Pull Mall has a very full Exchequer, path of progress" for which "we have had to ta festivi. and in being backed in very influential quargive spinething in return," the city merchants it is said ters to cut out the "Thundersr" of Print- sum up in a very different fashion. "It is felt," ow, have ing House Equare, which has given great they say, "that, taken as a whole, the present perform offence in certain high directs by its gross in-convention constitutes no improvement, upon bear days, canalatency. The Times directation and ad the Treaty of Tientsia, and that, unless easenognized as vertisements having fallen off a good deal, and tially modified, it would be preferable to leave there being a decrease in its profits, the thetatter unaltered." But it must be borne so who in proprietory became alarmed, had a meeting, in mind that the Chinese have equal title with , but a re- and voted that, for the future, it should be ourselves to claim a revision; and while acceptinterferes in compete on equal terms with the Pall of the new Treaty, it will be observed that the a prey to Mall, also a twopenny paper. But Walter statesman-like estimate of prospective advantable for would'nt allow the reduction at any price, and tages, upon which hir Rotherford Algorithm when the proprietors insisted, he produced a do not receive the consideration which is possible to their dead duly drawn up and signed by them some bly due to them. Experience of dealings with name with pears since, by which they entrusted him with the Chinese leads mercantile men to be blind the entire aid uncontrolled management of the to everything beyond the bird in the hand, a right for property in all future time. So the Times is and it will require all the ability and carnesteach by a still a three-penny, and Walter holioves that | ness which Fir Rutherford Alcock has displayed capacity cree with this weight of the additional penny in his despatches re-applied to make the general on its back, it can run away from its younger public in this country enamoured with terms.

Japan is and more lightly burdened rival. We shall made with the Chinase because they are of Obrition are the result, either in the collapse of the "great prospective importance." To consede also these Morning Pull Mall Guzelle, or in the lowering to the Chinese £780,000 a year, and be conterial civi. of the Times price; and as both papers have tented with £6,700 by concessions made in great reserve funds, the battle will last for a return, does not meet the British merchants' ideas of reciprocity; nor does it seem unrea-Sonable that the "irresistible argument" of the (Ibinese, that the silk duty was inadequate, ITALIAN REPUBLICANIAM. The illustrious (?) (). Garitald) bus written might have been very properly answered by a takit and one of his extraordinary letters -" a solome not less irresistible argument in proof that the way home burlesque," somebody calls it in defence of the defence of the defence and the defence artification which he keys "would, the increased duty levied on spinin will doubt the increased duty levied on spining will doubt the increased d otherisets, periodicus Government, have regenerated society less be argent, and we entertain the conviction of that and have freed it from the shackles of that the Foreign Office will undertake the
